

Find an Accessible Provider with this Step-by-Step Guide

1

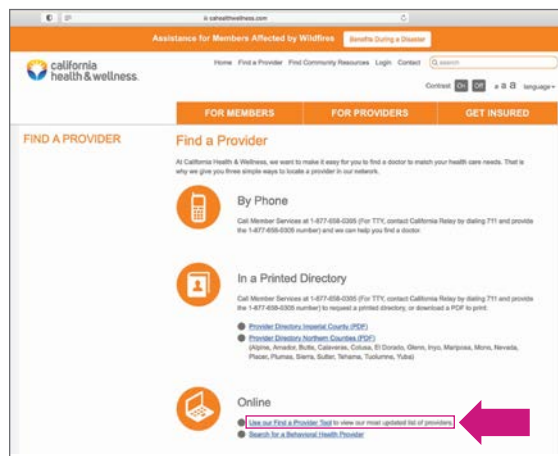

Type **www.cahealthwellness.com** into your web browser. Scroll down the home page and click *Find a Provider*.

For help, call Member Services toll-free at 1-877-658-0305 (TTY:711) Monday–Friday, 8 a.m. to 5 p.m.

2

Scroll down and click *Use our Find a Provider Tool*.

(continued)

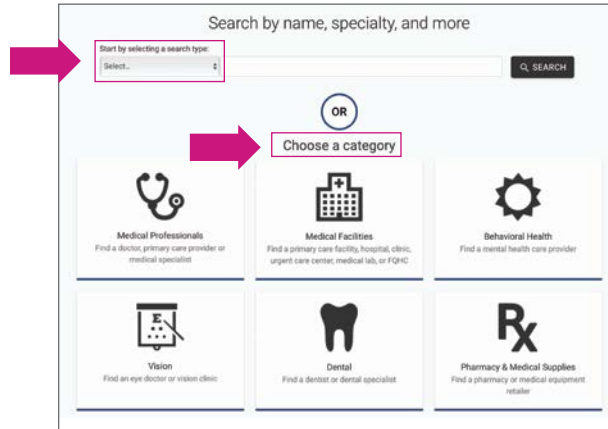

3

Enter the street address, ZIP code or county you would like to search, and click *Submit*.

4

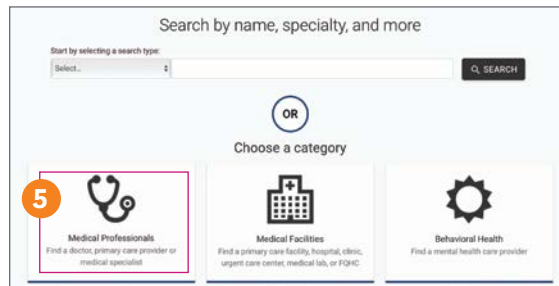

The tool will allow you to search for a certain provider in your area, or by category.

The next steps will show you how to find a medical provider by category.

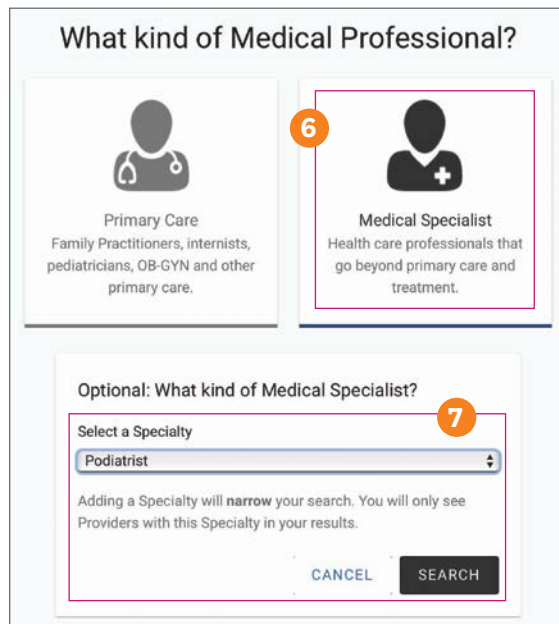

5

Click *Medical Professionals*.

6

You can narrow your search for a medical provider by selecting *Primary Care* or *Medical Specialist*. If you would like to search for a specialist, click *Medical Specialist*.

7

Click the arrow to use the drop down menu. Doing this will narrow your medical specialist search by specialty.

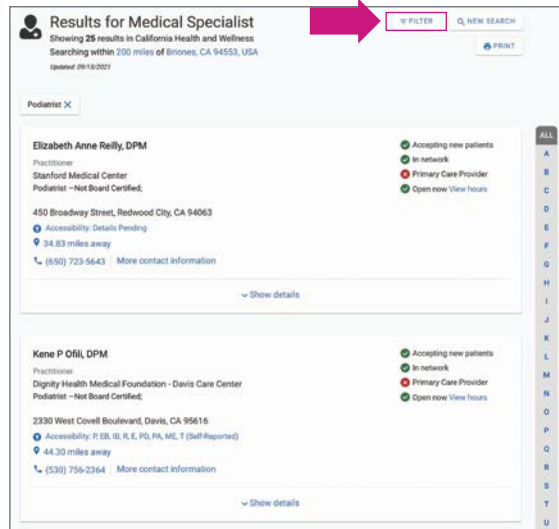

Example: If you're looking for a Podiatrist, scroll down the drop down menu. Click the *Search* button.

(continued)

The next steps are an example of how to find provider information, like access for people with disabilities.

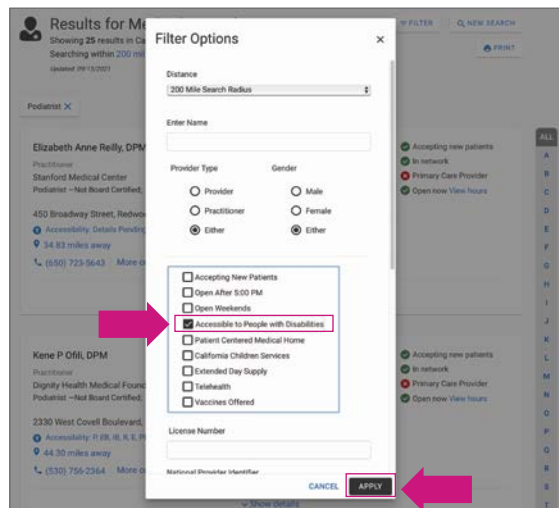

8

Click *Filter* at the top.

9

Scroll down the Filter Options menu and check *Accessible to People with Disabilities*. Click *Apply*.

10

Click *Accessibility* (under the provider's office address) to see more details.
