

### Authorization Guide for Respite Services

Respite Services are provided to caregivers of members who require intermittent temporary supervision. The services are provided on a short-term basis due to the absence or need for relief of the nonmedical caregiver. These services are distinct from medical respite/recuperative care and provide rest for the caregiver only.

The service limit is up to 336 hours per calendar year. The service is inclusive of all in home and in-facility services.

Members must meet the following criteria to qualify for Respite Services:
